FLEET SAFETY INTERNATIONAL

VOTED CALGARY'S BEST TRAINING SCHOOL

**ADVANCED DRIVER
SAFETY PROGRAMS**

Fleet Safety International offers a choice of driving programs for both public and corporate clients with an aim to provide a better understanding of defensive driving techniques and gain valuable collision avoidance skills.

Fleet Safety International is currently building a new practical training in the Calgary area. This area is located in North and East of Calgary, just a few kilometers from the Country Hills / Ring Road interchange. The training area is custom designed for advanced driver safety training and is capable of supporting a variety of light vehicles such as SUVs and ½ tons among others.

Features of Training Area
